What the assessment covers.

It helps us understand where your business stands and what would make it fundable. Answer what you can — anything you haven't got yet, or would rather not share, can be left blank.

01 Business & Market
Overview, business model, team, market size and growth.

02 Product / Service Proposition
The customer problem, MVP status, roadmap and milestones.

03 Go-to-Market & Competitive Positioning
GTM strategy, competitors, commercial insight and defensibility.

04 Commercial Performance & Financial Position
Revenue, pipeline, sales cycle, runway and burn.

05 Investment Requirements & Fundraising History
Round size, use of funds, valuation and investor discussions.

06 Supporting Information
Investor deck, financial model and cap table.

What happens next

Based on the information provided, we'll identify how 9Miles47 may be able to help, including arranging an initial call to explore the opportunity further. Where appropriate, we'll aim to share a one-page assessment of your funding readiness and any recommended next steps.

Around 30 minutes. Strictly confidential.
